Greentour

Circular Economy and Sustainable Tourism in Destinations of the SUDOE space

ERDF budget: 1.171.998,68€

9 Partners: Spain, France, Portugal

Duration: 28 months

Project funded by the Interreg Sudoe Programme through the European Regional Development Fund (ERDF)

Greentour aims at improving methods of managing natural and cultural heritage through the implementation of networks and joint experimentation by including methodologies and actions to promote the circular economy in the tourism sector on a transregional scale not previously addressed. The project will result in making new sustainable tourism and circular economy products to safeguard the heritage of the SUDOE for future generations. Greentour is a project funded by the European Regional Development Fund.
